

**PROJECT NAME:** CENTRAL BROWARD REGIONAL PARK ADDITIONAL PARKING

**PROJECT LOCATION:** City of Lauderdale, Broward County

**PROJECT DESCRIPTION:**

Central Broward Regional Park is located in the City of Lauderdale on the northeast corner of the intersection of State Road 7 (US 441) and West Sunrise Boulevard. The park is approximately 110 acres and has been developed to include cultural center, library building, cricket stadium with press box, concession stand, recreation center with pool area, play fields, basketball courts, tennis courts, shelters scattered throughout the park, and some parking areas.

**THOMPSON & ASSOCIATES ROLE:**

The scope of this Work Authorization was to provide additional parking areas for park visitors and for television station vehicles close to the existing stadium. Based on the County needs a number of locations around the park was evaluated and five locations were determined suitable for expansion of the parking area. T&A provided professional engineering services to design, permit, and provide administration of the construction contract for the construction of parking facilities located within the limits of the Central Broward Regional Park. The scope included the survey, parking design, pavement design, drainage upgrade and retrofit, signage, pavement marking, landscape architecture and irrigation design and permitting through State, County and local regulatory agencies.

**PROJECT START DATE:** October 2017

**PROJECT END DATE:** Pending approval of Contractor by Broward County
