

**PROJECT NAME:** PORT EVERGLADES SLIP 1 EXPANSION PROJECT - MARAD GRANT

**PROJECT LOCATION:** Broward County, Florida

**PROJECT DESCRIPTION:**

Broward County's Port Everglades requested \$25 million, of a total project cost of \$153.3 million, in grant assistance from the United States Department of Transportation Maritime Administration's Port Infrastructure Development Program.

**THOMPSON & ASSOCIATES' ROLE:**

As the Prime Consultant, T&A completed the Grant writing effort for this \$25 million MARAD Port Infrastructure The Grant Request was completed on September 16, 2019 from the U.S.D.O.T. Maritime Administration. The scope included working closely with Port staff and reviewing multiple Port documents, such as the Port's Mater Plan, several Port studies, numerous agreements with other agencies, as well as completed and proposed Port infrastructure projects. The Grant Request was for financial assistance to offset the approximate \$150 million budget for the Slip 1 Expansion Project. The Grant is currently under review by MARAD.

**PROJECT START DATE:** February 2017
