<u>PROJECT LOCATION:</u>	City of Fort Lauderdale, Florida
<u>PROJECT DESCRIPTION:</u>	
Preparation of the Master Plan for the expansion of the Broward County Convention Center	
<u>THOMPSON & ASSOCIATES ROLE:</u>	
<p>This is individual experience, as a subconsultant to HKS and acting as the Project Manager for the development of the Broward County Convention Center Master Plan. This six (6) month project included a focus on the traffic and transportation elements of the Master Plan. Also included attendance at stakeholder meetings, research for existing easements, review of existing lease agreements, coordination with Port Everglades and review of existing water, sewer and drainage. Site access and vehicular flow was reviewed as well as research into the various multi-modal transportation options that exist. Other areas that were explored included facility operations, Port parking requirements and taxi and bus usage of the existing parking garage. The budget for implementation of the Master Plan was \$500 million and the project was completed in 2014.</p>
