

PROJECT NAME:	Everglades Holiday Park – Water Main
PROJECT LOCATION:	Unincorporated Broward County
PROJECT DESCRIPTION:	Water Main extension serving Everglades Holiday Park, approximately 4,000 linear feet in length.
THOMPSON & ASSOCIATES ROLE:	As the Engineer of Record, we are providing engineering services to design, permit, provide assistance during bidding and award, and provide administration of the construction contract for the installation of a water main approximately 750 linear feet within Everglades Holiday Park and extending approximately 3,250 linear feet to the intersection of Griffin Road and Orange Drive (US Highway 27). The scope includes the preparation of the water main plans, water main details and specifications, site survey, subsurface utility investigation, geotechnical investigation, and permitting through Federal, State, County and local regulatory agencies. The overall project shall be designed as three (3) segments.
PROJECT START DATE:	February 2018
PROJECT END DATE:	April 2020
