

<b>PROJECT NAME:</b>	<b>HOLLYWOOD NORTH BEACH PARK - MOORING FIELDS</b>
<b>PROJECT LOCATION:</b>	City of Hollywood
<b>PROJECT DESCRIPTION:</b>	Creation of a public mooring facility with 22 mooring buoys and public access building with showers, laundry facility, office and janitor space. Estimated construction value of \$1,000,000.
<b>THOMPSON &amp; ASSOCIATES ROLE:</b>	As the Engineer of Record, we are providing engineering services to design and permit a public mooring facility on the north and south side of Sheridan Street west of North Ocean Drive (A1A). The project includes a 670 square foot public access building which contains shower/toilet rooms, open air-under roof laundry facility, small office space and a janitor closet, a dinghy dock and pump station dock, both on the north side mooring field. The scope includes the preparation of the site plan, site grading, site utilities (water/sewer/fire protection), site survey, geotechnical investigation, benthic resource survey, and regulatory agency permitting.
<b>PROJECT START DATE:</b>	January 2018
<b>PROJECT END DATE:</b>	August 2019
